

Mascarella.com

Mascarella.com will serve as a hub for learning about Nicholas Mascarella. Particularly his past work experiences.

This website will provide an in-depth look at Nicholas Mascarella's past work experiences. The website will cover his time at a mask-making factory during the beginning of the COVID-19 pandemic and his earlier exploits as an arcade employee in 2016. The website will also feature some of Nicholas' most valuable lessons he's learned after his time with a given employer. Mascarella.com is written both realistically and humorously to provide an honest window into Nicholas' life in the workforce.

PERSONAS

Former Coworker

Someone that Nicholas used to work with. Most likely a friend of Nicholas interested in his view on their employment together.

Friend

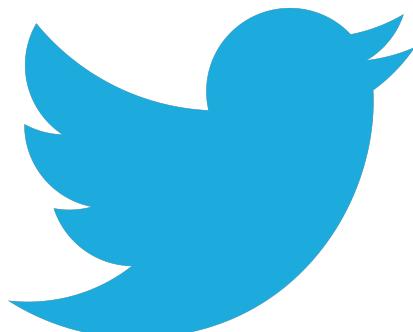

A friend of Nicholas interested in reading about his experiences in the workforce.

Potential Employer

An employer tasked with deciding whether Nicholas would make a good employee
